## *Teacher Candidate Evaluation Rubric*

# Teacher Candidate Evaluation Rubric

The following rubric was developed to align with and reflect the *North Carolina Professional Teaching Standards* approved by the North Carolina State Board of Education on June 7, 2007. The rubric also parallels the North Carolina *Inservice Teacher Evaluation Rubric* that is used to assess the professional performance of inservice teachers throughout the state. However, the *Teacher Candidate Evaluation Rubric* has been adapted to reflect the specific contexts and opportunities available to teacher candidates throughout their programs, and to allow distinctions to be made across each of four levels of performance on the *North Carolina Professional Teaching Standards*.

Preservice teacher (candidate) performance should be rated on each element within each Standard as characteristic of a practitioner at one of four levels: *Emergent Candidate*, *Developing Candidate*, *Proficient Candidate* or *Accomplished Candidate*. These levels are cumulative across the rows of the rubric in that a “*Proficient Candidate*” teacher must exhibit the characteristics encompassed under the “*Emergent Candidate*” and “*Developing Candidate*” levels in addition to those described at the “*Proficient Candidate*” level. To be recommended for licensure, a candidate must demonstrate professional performance at no less than the *Proficient Candidate* level on each element and on each standard.
